

## Police Department Report 1938 Activities

The report of the Arlington Heights police department made to the board of trustees Tuesday evening is interesting in a number of ways. The report, given below, not only tells how many accident cases have occurred, the number of fires, fatal accidents, etc., but also how many miles a police car travels in a year, which in Arlington Heights, is 43,137 miles. There have been 215 wayfarers who have received free lodging in the municipal hotel. Local business men have forgotten to lock their doors 54 times during the year. Fires have numbered nineteen.

The report also records that 42 dogs have been sent to their happy hunting ground.

The greatest activity of the department is doing things that do not appear on paper, but there are some big figures that do appear on the year's report. Nearly \$4,000 were paid for vehicle tags; business licenses totaled \$2,210 and arrests brought in \$4,222, making a grand total of over \$10,000. The report as given to the board of trustees follows:

January 1, 1938 to December 31, 1938.

- Miles on Buick—43,137.
- Gas used in Buick—3,817 gal.
- Oil used in Buick, 142 qts.
- Lodgers for the year—215.
- Doors found open—54.
- Fires, for the year, 19; six false alarms.
- Courtesy slips issued this year—325.
- Property damage accidents this year—18.
- One injury case.
- One child killed.
- One non-motor vehicle accident case.
- Death by fire, one.
- Three insanity cases handled.
- One suicide case handled.
- Eleven dog bite cases handled and investigated.
- Forty-two dogs shot.
- \$5,892.50 for 1324 vehicle tags.
- \$185.00 for 119 dog licenses, 1938.
- 219 1938 village business licenses collected, total in money, \$2,210.00.
- 82 police car radio calls received.
- From May 1, 1938 to December 31, 1938, 897 arrests made on motor vehicles and village ordinances; 80 cases tried by local judges; \$4,222.00 in fine money.

The members of the Arlington Heights police force are Geo. F. Schneberger, police commissioner; Herbert Skoog, chief; Elmer Karstens, Wm. Heinemann and Ira Melbourne, patrolmen.

Police calls are received at any time during the twenty-four hours by desk sergeants Wm. Bauer, John Firnbach and Wm. Windheim.

CARL SKOOG whose well organized department has won the respect of the citizens and the community.

**FIRE INSURANCE CO. ANNUAL MEETING**

The annual meeting of the Mutual County Fire Insurance Co., of Mt. Prospect, will be held at Mt. Prospect Lutheran school hall, Tuesday, January 10, 1 p. m., when annual reports of the officers will be given and the annual election of directors will take place.

George Busse, Secretary.

**Hybrid Corn Tests**

Two hybrid corn tests were conducted in the county. One was at Arthur Busse's and the other at Carl Bormet's farm. "This last fall we had a long growing season," states Farm Adviser, C. A. Hughes, "Some of the later varieties outyielded the earlier varieties. We do not feel the season was normal. We must look to a fairly early maturing corn for this reason. The chances are against us and we will see an early frost one of these times."

**Soil Testing Meetings**

A series of 19 soil test meetings were held attended by 149 farmers. About 2,000 acres were tested. Those in attendance were instructed how to read the tests and interpret them. Such meetings will be continued.

**Statistical Report**

During the year there have been 6,310 office calls, 8,888 personal letters have been written. There were 159 meetings with 6,509 in attendance. Assistance from the University of Illinois amounted to 31 days. The net worth of the Farm Bureau increased \$1,829.56 during the year. "Our goal for the next few years is to come," says President Harvey Adair, "is to become the largest Farm Bureau in the world. We have the services to offer, and almost 2,000 farmers using them here in Cook county."

## Last Day Of Registration Is January 17

Village clerk Arthur McElhose can receive registrations by voters at his office in his residence, 816 N. Belmont until January 17.

Persons who have moved from original precincts, new residents and others who are not residing at the same place as when they voted in November are required to be properly registered if they expect to vote at the forthcoming village election.

Those residing outside of the municipality can register at the office of township clerk, 609 No. Dunton st.

Similar provisions apply to all parts of Cook county, the village and township clerks being authorized to accept registrations until the above date.

## Will Start Construction On Four New Homes At Sherwood

Petersen & Jacobsen have three homes under construction and expect to start excavations soon on four new places in Sherwood, the new subdivision north of Arlington Park suburb.

Sherwood is distinctive in many ways, chief of which is the fact that public benefits were avoided by the installation of sewer and water improvements under private contract.

Mr. Petersen called at the Herald office last Saturday and complimented the growth that other sections of Arlington Heights have made during 1938 as reported in the Herald. "With such enthusiasm as evidenced by the resume of the year published in last week's Herald," stated Mr. Petersen, "there is no wonder that the town is going places. Our organization is happy to have a part in the community."

## Funeral of Mrs. Emma Keiser Was Wednesday

Mrs. Emma Keiser was born on Dec. 26, 1871, in Des Moines, Ia., and came to Chicago in 1884. She married Mr. Frank Keiser, April 20, 1897. One daughter, Elsie, was born to them. Since March, 1929, the family home has been 541 S. Van Buren, Arlington Heights, where Mrs. Keiser died Jan. 2, 1939, aged 68 years, 6 days.

She is survived by her sorrowing husband and daughter, Mrs. Catherine Weber, Mrs. Clara Chandler, also of Chicago and many other friends, who mourn her passing.

Funeral services were held in the Lauterburg and Oehler chapel Wednesday at 2:30 o'clock, Rev. H. A. Kossack conducting service.

Burial Ridgewood cemetery.

## Lake-Cook Employees Injured In Auto Crash

Adele Metter, of Antioch and Betty Bray, of Lake Villa, who are employees of Lake-Cook Supply Co., were seriously injured Tuesday morning when Kenneth McNamara, their office manager was forced to take to the ditch to avoid a collision with another car as he was going over a hill when on his way to Des Plaines.

## St. Peter Congregation To Hold Annual Meeting Sunday Afternoon

The annual congregation meeting of St. Peter Lutheran church will be held Sunday afternoon, Jan. 8, at 2 o'clock. The officers for whom nominations were made in December will start at one o'clock. The business session will start at two o'clock, when all of the various organizations affiliated with the church will present annual reports.

## Failure To Secure Drivers License May Require Examination

Motorists who fail to get a drivers' license until after May 1 may be required to take a personal examination, Joseph H. Braun, general counsel for the Chicago Motor club, warned this week.

"Of course every one is required to have a license to operate a car after May 1 and anyone who drives without one is subject to arrest," Braun explained. "The secretary of state has indicated that drivers who neglect to apply for their license until after the deadline run the risk of being forced to undergo a personal examination as to their fitness to drive." Mr. Braun explained.

Under the law, the secretary of state may require an applicant to submit to examination if he believes the applicant would not be able to operate an automobile with safety upon the highways.

Mrs. Arthur Cameron, former Grace Sullivan, announces the engagement of her daughter, Agnes, to Mr. Paul Boeckenhauer, son of Mr. and Mrs. John Boeckenhauer, of Des Plaines. Miss Sullivan is a graduate of Arlington Heights township high school and Mr. Boeckenhauer is a graduate of Maine township high school. No date has been set for the wedding.

## Plan To Abolish Township Duties Perils Home Rule

### State Representative Discusses Bills To Come Before Assembly

by BERNICE T. VAN DER VRIES

Editor's note: The following article, discussing the proposals to abolish many functions of the township governments, was written by Mrs. Bernice T. Van der Vries, 968 Pine st., Winnetka, member of the house of representatives of the Illinois legislature, from the seventh senatorial (suburban Cook county) district.

How much of home rule are suburbanite citizens of Cook county willing to give up for the sake of alleged efficiency in government that never comes to pass?

In particular do they wish all their tax assessments to be decided by deputies from the county assessor or would they prefer them made by the local township assessor who is near to the job and knows his community?

Would they prefer to have all tax collections made in the jam and confusion of the county building or pay the local township collector?

Would the local taxing boards prefer to have all tax collections go direct to the county treasurer and wait interminably for allocations to them for their expenses, or have the local township collector make distributions to them direct?

Would the tax-payer now contributing his money to poor relief taxes at rates determined separately according to the needs of the respective township relief funds, rather have all the job of suburban relief thrown into one county agency?

Finally would the officials of suburban public schools prefer to do away with township school treasurers and have all school taxes managed exclusively by the county treasurer?

### Wants Public's Opinion

These questions are not asked rhetorically. I should genuinely like to know, as your representative in the Illinois General assembly, what your opinion is on the rapidly moving current for centralization of government functions into huge units for the sake of political patronage.

In the regular session of the legislature that convenes this week, there will be numerous bills tending both to produce consolidations into greater units and to correct evils already resulting from unwise legislation now in effect that springs from the general desire for efficient centralization.

### State Education Board

Most informed people already know of the turmoil in the two recent special sessions of the legislature over the effort to pass legislation for a state board of education. These efforts were defeated primarily because two different administration-sponsored bills were definitely calculated to enforce rather than "induce" consolidation of rural one-teacher school districts.

Only a few people outside of school officials realize the tremendous confusion and budget-paddling of school districts because of the direct operation of the Illinois municipal budget law which went into effect last July and which seems definitely to be the forerunner of placing great centralized taxing authority with the Illinois tax commission. Citizens should recall that the entire tax congestion in Cook county during the past ten years followed directly upon the order of that commission to revalue the quadrupled real estate assessments of 1927. The commission made the egregious blunder of thinking that the problem of huge and congested Cook county was the same as the sparsely populated counties down state.

### Not Only Cause

This was not the only cause of tax trouble. County Judge Jarecki added to the turmoil by permitting a so-called cut of 15 per cent on certain types of building assessment which really was no cut at all in net results.

## Bar Raw Milk Sale In Arlington Heights

If any resident of Arlington Heights wants to purchase raw milk, that person must go to the producer to secure his individual requirements. No producer can deliver raw milk within the corporate limits of Arlington Heights without being subject to arrest. This was the answer given to Jacob Gerhardt and John Piepenbrink, who again appeared before the village board Tuesday evening.

Mr. Gerhardt stated that the village board had no right to tell a man what he should eat or drink, which he claimed would be against the U. S. constitution. He blamed the Chicago milk trust for the present pasteurizing requirements.

The street and water departments have been able to secure through the township relief 226 and 115 hours of labor by men who are receiving aid from the township fund.

The police department has collected \$55 in fines from 16 cases since its last report.

The additional room for the treasurer's office is complete with

BERNICE VAN DER VRIES, Member of Legislature.

## A Quiet New Year's In Arlington Heights

New Year's arrived in Arlington Heights with plenty of noise and many celebrations, but there were no accidents or disturbances. The police patrolled the town and found that Arlington Heights could celebrate the arrival of the new year without breaking things.

## Town Board To Fill Vacancy In Road Commissioner Job

The Wheeling township board will meet next week to appoint a man to fill the vacancy of road commissioner caused by the death of Herman Garms. There still remain two years of the term, but an election would cost \$500 or more with twelve voting precincts.

## Dr. D. L. Jerome Succeeds Dr. Fisher In Arlington Heights

Dr. D. L. Jerome, Des Plaines optometrist, will take over the office of the late Dr. J. Henry Fisher at 30 W. Campbell st., Arlington Heights, starting January 3. He will be in Arlington Heights three days of each week. Hours are: Tuesday from 9 a. m. to 6 p. m., Thursday, from 7-9 p. m. and Friday from 1 p. m. to 9 p. m.

Dr. Jerome was a close friend of Dr. Fisher and comes to Arlington Heights well qualified in the field of optometry. The office will continue under the name of Dr. J. Henry Fisher.

## High Chair Tips Over, Kills Infant

Seven month old Keith Hoffman, son of Mr. and Mrs. Kenneth Hoffman, residing on the Clover Hill farm on Rand rd in Elia township, was fatally injured when he fell with his high chair and fractured his skull December 23. Keith was sitting in his high chair before the piano in the living room when he used his legs to push against the piano, upsetting the chair. His skull was fractured when his head struck the floor.

## Glenview School Janitor Hit By Auto, Killed

Fred J. Clavey, 65 years old, janitor at the Ruger school, Glenview, was killed when he was struck down by an auto as he was walking across Sherman ave. last week Wednesday afternoon. The driver of the car was James Lang, of Evanston. Driving with Lang was Peter N. Jans also of Evanston. The accident occurred at a point 500 feet south of West Lake ave., on Sherman.

## Joe Gahlbeck Gets One Year In County Jail

Joe Gahlbeck, of Palatine, received a sentence for one year in the house of correction and a \$500 fine December 29, before Judge Lindsey. The charge of manslaughter, was dismissed and the term in jail was given for leaving the scene of an accident.

Gahlbeck, when allegedly under the influence of liquor several months ago with his auto on Milwaukee ave. at Wheeling hit a man resulting in the death of the latter. He was apprehended the following day at his home in Palatine when the Wheeling police were able to identify the car by the color of the headlights, parts of which were left on the pavement.

## Volunteer Subscriptions Cover Part of Expense Of Christmas Decorations

Walter Krause, treasurer of the Civic and Trade association reported to the board of directors Wednesday evening that volunteer subscriptions to the Christmas Decoration fund were sufficient to pay about a quarter of the expense. It is hoped that the business houses who have not yet remitted will send their checks prior to the tenth.

The outside lights were illuminated for the last time Monday evening. Several of the directors visited Hinsdale one evening last week where they received helpful suggestions on Christmas illumination.

## Farmers Evening School To Open Tuesday At Palatine High School

The annual Palatine Farmer's evening school will open Tuesday evening at 8 o'clock in the agriculture room of the Palatine high school, Palatine.

The meeting will be a discussion of the possible subjects to be taken up during the ten meetings that will follow, which will center around improvements in dairy production, swine production, soil conservation or any other topics that may be desired by the group.

This school is open to any person engaged or interested in farming. There is no charge.

## Seal Committee Asks Public To Please Return Christmas Seals

The right way to start the new year is to finish anything left over from the old year. There are 380 letters not accounted for from the 1938 sale of Christmas seals. Many of our faithful contributors have failed to make any return.

Won't you look up your letter and get your contribution or the unpurchased seals to the committee? A few from the 1937 sale have been returned during this sale. Don't you leave 1938 work undone any longer. Return your letter but not anonymously or your card will show no contribution.

## Niles Center Gets \$135,000 Federal Grant For Parks

A W.P.A. grant of \$135,000 which will enable Niles Center to improve its park system to one of the finest in this territory was revealed last week when confirmation of the grant was received by the park board.

Plans call for the digging of two lagoons, a concert pavilion, a parking space, a toboggan slide, and baseball diamond bleachers in Oakton Park. The lagoons may be used for ice skating in the winter season.

A wading pool, sand boxes, playground and shelter house will be built in the Old Village park. Sharp Corner park and Central park will also be redesigned, graded and landscaped. Baseball diamonds and tennis courts also will be improved under the present plans.

## Mt. Prospect V. F. W. Plant 300 Trees

In a report handed to Mayor I. E. Besander by the Veterans of Foreign Wars, it is disclosed that this organization has already passed the halfway mark in its program to replace needed trees in Mount Prospect.

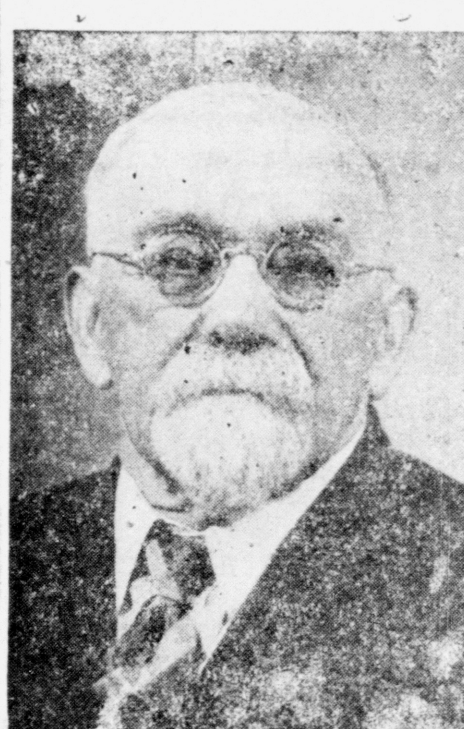

In less than ninety days more than 300 fine Moline Elm trees have been placed in village parkways. Further planting is being temporarily held up because of weather conditions. The program will be continued at a later date until all necessary replacements have been made.

The Tree dance committee in its report wishes to thank all who so loyally supported the affair. Ticket sales were highly satisfactory. The entire profits of the affair will, of course, be devoted to the purchase of additional trees for the village.

## WELFARE CLINIC

Arlington Heights infant welfare clinic will be held next Tuesday afternoon from 1 to 3 o'clock at the health center in the village hall.

## Herman Garms Veteran Wheeling Official, Dies

HERMAN GARMS

## Resolution Tells Service Given To High School By Herman Garms

Mr. Garms' reputation among his fellow farmers led to his election as their representative upon the high school board at the time of its organization. He served in that capacity 25 years retiring last April, when the high school board passed the following resolution:

Whereas, the records of the Arlington Heights township high school district, No. 214 show that Mr. Herman Garms has served on the Board of Education of said high school district, for a period of twenty-five (25) years; and

Whereas, that the present Board of Education feels that such length of service to our Communities should not go by unnoticed, for in a quarter of a century of honest and faithful service, in which time Mr. Garms gave the Board of Education his time and ability willingly for the upkeep and beautification of the grounds and buildings, and that he also made every effort for the proper provisions for the educational advancement of our high school and its students;

Therefore, Be it resolved that the Board of Education of the Arlington Heights township high school district No. 214 in regular meeting assembled, herewith extend to Mr. Garms a sincere vote of thanks and appreciation for the hard and faithful services rendered to this District as a true and loyal citizen, of the communities served by said high school district; and

Be it further resolved that the present Board extend to Mr. Garms letters of commendation for his health and happiness and that his years be many more to come; and

Be it further resolved that this resolution be spread on the official records of this Board of Education, and that a copy of same be presented to Mr. Garms.

The foregoing resolution was unanimously adopted.

CLARENCE I. DAVIS, President.

Attest:

A. C. HAAKE, Secretary

### Holtje Family Return From 3,000 Mile Trip To Gulf Of Mexico

The Lew Holtje family returned from their holiday trip to the gulf Monday afternoon, having covered about 3,100 miles. They left for the south on Christmas day and spent the first night in Carroll. The next day they covered about 500 miles and stopped for the night at Hot Springs, Alabama, where contrary to their expectations, they almost froze during the night.

The next day they reached San Antonio, Texas, where they called on two uncles of Mrs. Holtjes, Messrs. Martin and Henry Ritzenthaler.

Their next stop was Edinburg, Texas, near the southern tip of Texas, where they visited the Giss family formerly of Aptakisic. They found them well and enjoyed the visit with old time friends.

Kenneth Giss accompanied them on a one day visit to Old Mexico which they found very interesting. Altogether they found their trip very enjoyable and only regretted the fact that they could not spend more time in each place.

### Mr. and Mrs. Chas. Klehm Are Grandparents For Twelfth Time In 16 Years

A son was born to Mr. and Mrs. Carl Klehm, of Arlington Heights, December 30. It was the twelfth time that Mr. and Mrs. Charles Klehm have been grandparents during the past 16 years. They are five boys and seven girls. The eldest is Joyce Schauble of Barrington and the youngest is Carl Henry born last week.

Herman Garms, who served as Wheeling township highway commissioner for a period longer than probably any other man in the state, died Monday morning at his home, 994 N. State rd., Arlington Heights. The funeral is being held this afternoon at 2:30 at the residence, Revs. F. Fricke and Noack officiating. Interment is at Arlington Lutheran cemetery; arrangements by Lauterburg & Oehler.

Mr. Garms had served his township as road commissioner fifty-six years. He started his public service as path-master or overseer of highways in 1882. Thirteen years later, the office of highway commissioner was created with three members. Mr. Garms was one of the three who directed road affairs in Wheeling township. Early in this century the control of the highways was placed under the direction of one man. Mr. Garms held that office until his death.

The reason for his popularity with the voters can be attributed to the fact that he was always "one of the people." He never betrayed the people's interest. He exercised sound business judgment and tried to produce the best possible results in the most economical manner.

As road commissioner, he was among the first to take advantage of approved, modern methods and material for road building.

His first wooden culvert, made of two inch plank, was placed on Euclid ave. in 1883 between the cemetery and Victor Reed's residence. Nearly all of the culverts and bridges in the township have been built by him, including the 60 foot bridge over the Des Plaines river at Wheeling. In addition to making a record for long continuous service, Mr. Garms established a record for keeping costs down.

In recognition of his experience and judgment, Commissioner Garms was a director of the County Good Roads association. Red tape was one of the things that he abhorred. Good roads for every citizen in the township was his aim in the service to his township he remained until his death at the age of 81 years, three months, 22 days.

Deceased was born in Orchard Place September 11, 1857. When still a young man, he came with his parents, Mr. and Mrs. William Garms, to Wheeling township, settling on Euclid ave. Upon his marriage in 1882 to Miss Engel Meyer, he started housekeeping at the present Victor Reed residence. He later purchased the adjoining farm, which became the Garms homestead and which is occupied by his son, Edward.

Six children were born to Mr. and Mrs. Garms, two of whom have died. Those surviving are Herman, Jr. and Edward, Misses Ella and Emma, all of Arlington Heights.

Mrs. Garms died March 23, 1915. Four years later he married Mary McCune. Had he lived until next Monday, they would have been married twenty years, all of which was spent at the North State rd. home. Mrs. Garms survives him.

For a period of 23 years, Mr. Garms, in addition to his road commissioner duties, operated a dairy farm and a milk route in the village.

### Half Million Dollar Business In 1938 By Farm Supply Company

At a special meeting of the board of directors of the Lake-Cook Farm Supply company held at the main office of the company at Des Plaines last Thursday, the board declared a dividend equaling that of last year's, approximately \$50,000. This dividend represents 6 per cent on preferred stock, 15 per cent on petroleum products and 6 per cent on feeds and other miscellaneous products, and is payable to the farmers in Lake and Cook counties.

This large dividend was made possible by a large volume of business which exceeds the half million dollar mark. This is one of the few companies which has been able to maintain their volume and attractive earnings during the depressed business year of 1938. The high earnings of this company have been due largely to the low-overhead or cost of doing business. This has been brought about by the efficient operation of all its departments.

This large farm company has completed 11 years of successful business in which a substantial growth has been made from year to year and a substantial dividend has been paid to stockholders each year. The Lake-Cook Farm Supply Company services the farm trade of Lake and Cook counties with a full line of farm supplies including petroleum products, feeds, seeds, and is entirely owned and operated by the farmers.

The 11th annual meeting of the supply company will be held at the Masonic Temple at Des Plaines, at 10 a. m., January 19. Watch this paper for further announcements.

**CHRISTIAN SCIENCE CHURCHES**  
"GOD" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 1.  
The Golden Text was, "Thus saith the Lord the King of Israel, and his redeemer the Lord of hosts: I am the Lord, and I am the last; and beside me there is no God" (Isaiah 44:6).  
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I am the Lord; that is my name; and my glory will I not give to another, neither my praise to graven images. Sing unto the Lord a new song, and his praise from the end of the earth, ye that go down to the sea, and all that therein: the isles, and the inhabitants thereof. Let them give glory unto the Lord, and declare his praise in the islands" (Isaiah 42: 8, 10, 12).  
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God is infinite, the only Life, substance, Spirit, or Soul, the only intelligence of the universe, including man. Eye hath neither seen God nor His image and likeness. Neither God nor the perfect man can be discerned by the material senses" (p. 330).

**Faith, Not Fortune Tellers, Only Human Hope, Dr. Maier Says**  
Fortune tellers are unable to predict even the temperature with accuracy only a day or two in advance, Dr. Walter A. Maier declared Sunday in his coast-to-coast Lutheran Hour broadcast. Asserting that the predictions made by astrologers and crystal gazers a year ago on January 1, 1938, have proved either false or absurd, Dr. Maier said "it is one of the unexplained mysteries of human perversity that many people, including, we are told, officials in high governmental and financial circles, pay millions to consult frauds and charlatans, but refuse to be guided by the word of God which in multitudes of instances has marvelously proved its divine power and truth." Asserting that there can be only one permanent and trustworthy security for modern life and that this security is not financial, social, cultural, legal, but spiritual, Dr. Maier emphasized the stabilizing influence of personal faith in Jesus Christ. He declared that by building human hopes on this basis "men and women in this beleaguered age can have the undying assurance that they are led by divine wisdom, strengthened by Heavenly power and eternally saved by Christ's love."

**CHRISTIAN SCIENCE CHURCHES**  
"GOD" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 1.  
The Golden Text was, "Thus saith the Lord the King of Israel, and his redeemer the Lord of hosts: I am the Lord, and I am the last; and beside me there is no God" (Isaiah 44:6).  
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I am the Lord; that is my name; and my glory will I not give to another, neither my praise to graven images. Sing unto the Lord a new song, and his praise from the end of the earth, ye that go down to the sea, and all that therein: the isles, and the inhabitants thereof. Let them give glory unto the Lord, and declare his praise in the islands" (Isaiah 42: 8, 10, 12).  
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God is infinite, the only Life, substance, Spirit, or Soul, the only intelligence of the universe, including man. Eye hath neither seen God nor His image and likeness. Neither God nor the perfect man can be discerned by the material senses" (p. 330).

### THE DONATION PARTY

I know something that you don't know! May says there's a donation party at the church tonight, oyster supper and frosted cakes and she's made pies, an' we're all going in the bob sled . . . Whillikens, ain't the sledding good! If you scrounge down on the bottom of the sled under the blankets, tain't hardly cold at all an' you can play it's a tent—careful of those baskets of pies back there! Bet you can't tell which way we're going, head all covered up this way. Gee! When you stick your head out, don't the clouds of snow sting your face? Trot right along, Dick and Prince! . . . Say, we ain't there already, are we? Church windows are all lit up; blanket the team in the Church shed and don't forget those baskets; better take off your overshoes in the entry—everybody's stamping off snow; pretty good turn-out an' our minister ought to be glad about such a donation. Kin he eat it all, Ma? Gee, just look at the tables! Steaming soup at every place, curly celery in goblets, cold-slaw, tureens full of oysters, jelly blobbing in glass dishes, pies cut into triangles and frosted cakes on high glass standards—the pink one with candies on it looks the best. Do they give prizes, Ma? Well, Miss Green said her cake was three stories high an' beat Miss Ruggles' all hollow. Aw, why do I have to eat at second table? You oughta go up in the gallery, once, and look down. Well, will you look at Lulu, sitting in the minister's chair and crawling into the pulpit! If I sit right on the railing, here, and not go up in the gallery, kin I have some of that highest cake that's got a motto on it? Ma, what's the motto mean, "Lovest thou Me more than these?" How kin I tell, if they isn't a piece left to the second table?

Miss Hazel Orton and Miss Loretta Kehoe, teachers in the Waukegan high school, spent part of their Christmas vacation last week at the home of the Reverend and Mrs. R. J. Kalwitz. Miss Orton is a college classmate of Mrs. Kalwitz.

Brand new equipment means that the Stonegate station can serve its patrons in a satisfactory manner.

## Arlington Cards Down Alums, 41-21

### Revived Regulars Show New Talents In Holiday Game

Arlington surprised even its most ardent admirers last week at a holiday alumni-high school basketball game. While conceded a good chance to win, it was nothing but in the nature of an upset when the Cardinals came up with a one-sided 41-21 victory over their elders, the Alumni. The high school lads surpassed the Alums in practically every phase of the game. Out-speeding them, out-passing, and out-shooting the former grads they took a lead almost from the very beginning and were never headed.

Several of the Cardinals went on from their fine victory of two weeks ago over the league leading Bisons of Bensenville. Apparently the Cardinals are on the upward swing again. After suffering defeats during the middle of December they seem to be bouncing back in fine style.

For the first time in several games Capt. Mayercik failed to lead his team in scoring, seeming to sense that his teammates were going to be able to carry the brunt of the game. Mayercik eased up perceptibly in his work. Eddie Mueller got going for the first time this year and was high point man. Showing flashes of the form expected of him, he scored two field goals in each of the first and third quarters. Kehe and Beckman shared the honors for runnerup with six points each.

Big George Milligan, though, showed the most improvement of any of the Cards. For almost a quarter he displayed a remarkably new brand of basketball driving hard for the basket and passing and covering up well in defense. Just when he was playing the best ball of his high school career, he suffered a foot injury which will keep him out of the next game or two. This is a severe blow to Arlington just as the important January games with Libertyville and Lyons are coming up.

Eddie Schulerberg practically kept pace with Kehe and Beckman, connecting for five points and having tough luck on several other shots.

Pingel, Weisgerber, Joe Mueller, Allen and Baxter shared honors for the Alumni. Although dazzled by the unexpected brand of ball displayed by their younger opponents these boys fought back to the best of their ability. Undoubtedly superior physical condition, on the part of the high school played an important role in outcome. The Alums were frequently in distress. Substitutions were a necessity on numerous occasions.

The Alumni lineup was well stocked with former stars. Pingel and Weisgerber have been playing with the Smith and Dawsons; John Annon, high point man of the 1936-37 team was hand cuffed. Don Johnson, Chuck Kopplin and Harold Grismer, captains of their teams the past three years, failed to connect for a single field goal. Allen and Baxter, at times, exhibited some of the guard duty they were accustomed to show in previous years. Only lack of condition hampered them.

## Prospect Heights

by NAN RAUEN AND LAVERNE MILLER

Mrs. L. I. Bokerman and baby from Napoleon, Ohio, have been visiting at the home of Mr. and Mrs. Torreyson, on Palatine rd. Mr. and Mrs. Bokerman came up to spend Christmas with her sister and mother, Mrs. Ann Patterson, who makes her home with the Torreysons. Mr. Bokerman returned home after the holiday, but his wife and baby stayed over for a week or so.

Mr. and Mrs. O. B. MacDonald drove down to Deshler, Ohio, to enjoy Christmas week-end with Mrs. MacDonald's parents, Mr. and Mrs. R. W. Buck. On their return they brought Mrs. Buck back with them in order that she might have a couple of weeks' vacation and rest out in Prospect Heights with her daughter.

We regret to report that we have quite a number of folks in the neighborhood on the sick list. Mrs. Eaine has been confined to bed with an attack of flu, but she is reported as feeling much better. Ann Nielsen was home from work one day last week with a very bad cold. Mrs. Dick Steele was in bed for a day and had her husband home taking care of her. Mrs. Vi Danielson has been on the sick list with a cold since the Christmas party, but she is also feeling better, and is able to be out again. We wish them all a speedy recovery.

Virginia Dempsey welcomed in the new year attending a formal dance up in Milwaukee, Wisconsin, accompanied by her sister and brother-in-law, Mr. and Mrs. Murphy, of Burlington, Wisconsin.

Jim Neagle's mother from St. Louis, visited with her son and daughter-in-law, Lorene, for a few days during the holidays.

Jim and Ann Nielsen entertained Jim's brother and sister-in-law on Monday, and after a delicious dinner, the rest of the day was spent playing cards. During the evening a few of the neighbors on the north of the Neilsens dropped in for a Tom and Jerry, and believe it or not, Jim certainly knows just how to make and serve them, since the neighbors south of them enjoyed them New Year's eve.

The Rauens entertained Nan's mother, Mrs. Grace Tweedie, her brother and nephew, Dave and Ronnie Tweedie, of Chicago, and another brother and his family, Mr. and Mrs. John Tweedie, and Joanne, from Park Ridge, and Ed's mother and sister, Mrs. May Rauen and Miss Lillian, of Chicago on New Year's day. Everyone enjoyed a delicious turkey dinner, won by Ed at the turkey shoot, and all the trimmings.

Mr. and Mrs. Percy Collins will entertain on Sunday, Mr. and Mrs. J. Reid, of Indianapolis, Indiana, who are in Chicago attending the furniture convention.

Mrs. Collins drove into Oak Park on Tuesday to visit some friends.

## WHO'S WHO

On August 23, 1938, Mr. and Mrs. O. B. MacDonald moved into their home on Elmhurst rd., near the creek, from Chicago.

Mr. MacDonald is employed as an assignment clerk at the Illinois Bell Telephone Co., and has been with them for the past 12 years.

Mr. MacDonald was born and raised in Overton, Texas, and when he left there, it was with the intention of going to New York, but instead he wound up in Chicago, and there met his wife and Chicago has been their home since that time.

Mrs. MacDonald comes from Deshler, Ohio, and before coming to Chicago, she was a school teacher at Cleveland, Ohio, for five years.

Mr. MacDonald enjoys baseball and pinocle and Betty likes to cook, and of course, she intends taking up gardening in summer.

## OBITUARY

### HENRY KIRCHHOFF

Henry Kirchhoff of 403 W. Wing st., Arlington Heights, passed away at his home a week ago, Wednesday morning at the age of 55 years 2 months and 2 days. He was born October 16, 1883, in Wheeling township and has always lived in Wheeling township and Arlington Heights.

Mr. Kirchhoff leaves to mourn his departure, one sister and two brothers, William Kirchhoff of Farshall, North Dakota, Mrs. Edna Brockman of Wheeling township and Ernest Kirchhoff of Elkhorn, Wisconsin; one sister-in-law and one brother-in-law.

Funeral services were Friday afternoon at 1:30 p. m. at Karstens' funeral home at Arlington Heights and at 2:00 p. m. at St. Peters Evangelical church at Arlington Heights. Rev. Noack and Rev. Frick officiating; interment in St. Peters cemetery.

## Gable Role Was Literally "Too Hot To Handle"

"Too Hot to Handle," current attraction at the Arlington Theatre Sunday and Monday, may be the title of the picture, but in reality Clark Gable's role in it was almost too hot to handle.

Gable's first mishap occurred during the first week of filming. A section of ruined Shanghai had been created on a back lot and during an air raid, while making a newsreel shot, Gable was to be catapulted into a mud puddle.

Gable followed orders of Jack Conway, the director, and fell in the mud, but he forgot to close his eyes. For two days his eyes pained him before the last picture was removed.

## Home Rule Is Periled . . .

(Continued from Page 1)

Consider the immense difficulty of administering local schools, villages and parks as a result of the violently fluctuating personal property assessed valuations in the past few years, running all the way from a decrease of 44 per cent to an increase of 36 per cent this year alone in the suburban townships.

### Problems Not Same

The point I am trying to make is that the problems of small downstate communities are not the same as those in suburban Cook county merely by reason of size and composition. Therefore the problem of home rule is greatly different in the two different state areas.

These questions come up now because of active campaigns already getting under way under the auspices of various groups interested in legislation. Some of the efforts may be only a tempest in a teacup. But over the years there is a constant pressure to consolidate "for the sake of efficiency."

Although there have been measures in the past to wipe out township collectors and assessors, the trouble immediately in sight is in respect to the efficiency of public school operations, principally financial.

### Three Documents

And the most pointed reference now is that in respect to abolishing township school treasurers and lodging all their present authority with county treasurers. The movement takes on considerable force because there are at present three important documents on the subject, all sponsored by professional educators:

1. The report of the advisory committee to the Illinois Education commission made public in the summer of 1936 and recommending the abolition of the treasurers because of the high cost of operating the treasurers' offices in sparsely settled communities;

2. A survey by Professor O. F. Weber, of the department of education of the University of Illinois and a member of the aforesaid committee to the same general purpose, made public during the past few months;

3. A highly statistical survey of the financial situation of Cook county suburban schools recently released by Dr. Ray E. Cheney of River Forest, chairman of the public relations committee of the Lake Shore division of the Illinois Education association (teachers). This document among other things, shows on the face of its data that the cost for handling money through the township school treasurers in some Cook county townships to be excessive and wasteful.

However, a sharp controversy has followed immediately upon its publication. Groups of treasurers say the material gives wrong impressions of fact. Many school board members are attacking the inferences of the report as fallacious.

The most significant thing about the survey is that the publicity group which prepared and sponsored it is publicizing it about the country.

Immediately the reaction is that, regardless of the fact that this particular group is making no recommendation, township treasurers should be abolished and their work merged with the larger county offices.

### Chance for Patronage

Space will not permit here to set forth all phases of this situation. There are those who argue that Cook county might be exempted in any legislation affecting downstate counties. On the other hand, there is the counter-argument that the Cook county political machine in power would be very glad to get additional millions of school money to handle in the manner that it had handled money in the past and also to get many fine additional appointive offices to hand out as patronage to increase political control.

Meanwhile, there are associations among supervisors, assessors, collectors and treasurers which are not asleep on the job, for jobs are at stake. There is a well organized group of suburban and country towns that see the handwriting on the wall in any moves that create greater congestion. Undoubtedly we in the general assembly will be importuned by all these varied interests. But what does the individual citizen think about the whole problem?

## At The Catlow

"The Citadel," A. J. Cronin's dramatically powerful story of a young doctor who barters his ideals for worldly riches, opened yesterday at the Catlow Theatre. Robert Donat and Rosalind Russell are in the principal roles.

On Friday and Saturday, the Catlow Theatre offers its patrons the Dionne Quintuplets in "Five of a Kind," with Jean Hersholt, Claire Trevor and Cesar Romero.

All the thrills, danger and romance of life on the northwest frontier of India, will be brought to the screen of the Catlow Theatre on Sunday and Monday, when "Drums" Alexander Korda's magnificent technicolor production, begins its engagement there.

"Sharpshooters," featuring Brian Donlevy, Lynn Bari and Wally Vernon, is coming to the Catlow Theatre on Tuesday.

Double featured with it is the Warner Bros. sensation "Girls on Probation."

Three romantic teams, instead of the customary one, provide the love interest in the Warner Bros. comedy, "Brother Rat" which comes to the Catlow Theatre on Wednesday for three days. Wayne Morris and Priscilla Lane, Ronald Reagan and Jane Wyman and Eddie Albert and Jane Bryan are the picture's triple heart threat. The Virginia Military Institute at Lexington, Va., is the locale of the triple romance.

## Clubs . Parties . Marriages . Family Gatherings . Social Events

### New Year Parties

The holiday season in Arlington Heights was a happy one in spite of cold weather and icy streets. The children were privileged to enjoy the new skating pond and warm their toes in the shelter house. There has been tobogganing in Deer Grove and so the new skates and sleds and toboggans have had their first workouts.

The older folks also were busy with guests and parties, making the holiday time a busy and happy one. Lights blinked far into the first hours of the New Year as many friends gathered to welcome 1939.

Mr. and Mrs. Sam Baker were happy to have Mrs. Baker's brother, Mr. Petlock from Toronto, Canada, as a week-end guest over New Years.

Mr. and Mrs. N. K. Barr entertained Mr. and Mrs. R. H. Bloedel and daughter, Judy, of Elmhurst, and Mr. M. K. Jones of LaCrosse, Wis., on New Year's day.

Wednesday afternoon Mrs. Dan Schueren was hostess to her neighbors in Searsdale for a social afternoon. Her tea table was attractively decorated for the occasion with Christmas decorations.

Friday afternoon Mrs. Eugene Heller entertained a few friends in honor of Miss Ethel Whitenack, of Marshalltown, Ia., who was a guest at the home of her sister, Mrs. Atkinson, during the holidays. Bridge was enjoyed.

Mrs. Geffert entertained her entire family for the New Year's holiday, a company of twenty guests, Mr. and Mrs. Fred Reinke and family of Fort Wayne, Ind., were out of town guests.

Mr. and Mrs. B. A. Noyes and Dorothy and Miriam and Mrs. J. E. Best were guests on New Year's day at the home of Dr. Austin Home in Hinsdale. Miss Dorothy Noyes left for her teaching position in Ann Arbor, Monday, and Miriam goes back to her studies in Beloit, Wednesday.

Mr. Robert Mueller, son of Mr. and Mrs. Wm. Mueller, arrived from Cincinnati Tuesday to spend a few days with his parents. Miss Annabel Johnson enjoyed the New Year's week-end with friends in Fox Lake.

Mr. and Mrs. Russell Ford enjoyed New Year's Eve at a house party at the Elmer Hauptley home in Mt. Prospect.

Mr. and Mrs. Jack Monroe were hosts to a group of relatives for the New Year holiday, from Glenview, Libertyville, Evanston, Marshalltown, Ia., and Chicago and the village.

Mr. and Mrs. H. I. Haugen were hosts on New Year's day to Mr. Haugen's family from Chicago.

Mr. and Mrs. Thomas Cooper entertained eight friends for dinner on New Year's eve, and later played bridge.

Miss Laura McElhose held open house for her friends on New Year's eve as is her usual custom. The next day she went to Chicago to spend the week-end with Mrs. Frank King.

Mrs. W. A. Pfluger and family, So. State rd., entertained Mrs. Cora Bauer from the city over New Year's week-end.

The Charley Shirley and Theo. Gillick families of Chicago, were dinner guests at the Arlington Heights Rest Home, Sunday, January 1. Mr. Shirley is a brother of Mrs. H. G. Plumly.

Mrs. Lena Fehman and Mr. and Mrs. Martin Fehman and daughter, Dorothy, were guests of Mr. and Mrs. Carl Fehman in Woodstock, New Year's day.

Mr. and Mrs. Arthur Jenkinson of Park Ridge, called on her father, Mr. W. W. Guild and Mrs. Hodgkins, first of the week.

Members of the Bolte-Niemeyer families were guests of their aunt, Mrs. L. Schoeneman in the city, Monday.

Mrs. Crawford and sister, Mrs. McKinley, from the city, were guests of Mr. and Mrs. G. Rexford Volz over Christmas holidays.

January 1, 1939 was the 52nd anniversary of the marriage of Mr. and Mrs. Fred Winkelmann. Their children and families came home to help them celebrate the occasion.

Mr. and Mrs. Chas. Peters, N. Dunton, were guests New Year's day of their daughter and family, Mr. and Mrs. Richardson, in Des Plaines.

Mr. and Mrs. Geo. Harris and daughter and Miss Sarah Harris were guests of Mrs. Otto Rexes and daughter, in Des Plaines, New Years.

Mr. and Mrs. Wilbur Knechtel and family who spent Christmas with his parents at Park Ridge, came to Arlington Heights last week and spent New Year's week-end with her parents, Mr. and Mrs. Geo. Peterson, N. Dunton, returned Monday to their home in Chilli-cothe.

"Buddie" Peters was given a surprise party Saturday evening in the family home, N. Dunton ave. A happy New Year celebration for everyone.

Mr. and Mrs. Wm. Bagley of Wilmette, were New Year guests of Mr. and Mrs. G. Rex Volz.

Mr. and Mrs. Charles Shirley and daughters and Mr. and Mrs. Ted Gilcock and children from the city, were New Year guests of his sister, Mrs. Plumly and family.

Mr. and Mrs. Wm. Wilke called Sunday evening on their friends, Mr. and Mrs. Arthur Ende in Chicago.

Mrs. Briggs Tells Of Trip To Hawaii

Mrs. Paul Williams entertained a group of twenty ladies at a dessert luncheon Friday afternoon in honor of Mrs. Fayette Briggs. Following the luncheon Mrs. Briggs took the guests on an imaginary trip to Hawaii, where she recently visited her son.

The ice and snow of Arlington Heights were forgotten as they visited the scenes she so vividly described and showed by means of cards and snapshots.

Her collection of carved woods, raw silk material, picturing designs of bulb and plants found on the islands, drawings done by children in the second grade, coral and shells—all were a delight to her audience.

A polished coconut shell candy dish in its coconut husk, was passed, and its contents, made by a friend on the island, were sampled.

### THE PLACID PARENT

The Placid Parent is satisfied that the Parent-Teacher association is doing all that can be done to protect his child from careless auto drivers by sponsoring Boy Clubs and Safety programs.

### Club Calendar

January 19, Dorcas Aid dessert luncheon and card party.

### The Book Nook

Now that the holidays are over, and the new skates and sleds have had a try out, Mrs. Baxter will be glad to welcome her "Gang" back to the library. The children seemed to be delighted with the new Christmas books at the library, although they were a little late in arriving.

### Mothers Club Meets Wednesday

The Mother's club of the Methodist church met Wednesday evening at the home of Mrs. A. D. Hines and enjoyed hearing a talk at Mrs. B. H. Jarvis. A social time was enjoyed and refreshments were served by the hostess.

Several local people drove to Barrington Monday evening to enjoy the play "The Tinker," which was given at the high school under the auspices of the Young People's Christian Commission and the Ministers' Union of Barrington. The cast was composed of members of the Ministers Union of Thornton township.

Mr. and Mrs. Oris B. Cunningham and family spent the week-end with relatives in Indianapolis. Young Donald, who had stayed at Grandmother's house in Indianapolis from Christmas to New Year's, returned home with the family this time.

Mrs. Roy Lawbaugh and children returned from Shell-ld, Iowa, Sunday evening, where they have been visiting the past few weeks at the home of Mrs. Lawbaugh's parents.

At the regular business meeting of the Legion Auxiliary held at the Legion House Tuesday evening, January 3, plans were made for assembling the layette which is given each year to some needy family. The layette will be needed in February and Mrs. Geo. Palmer has the list of articles still needed to complete it.

Mrs. Albert Russell, chairman of activities committee, is in charge of arrangements for a "Bingo" party to be held at Legion House toward the end of January. 25 games of "Bingo" prizes and refreshments all for 25 cents. Tickets will be on sale by members.

The committee invites all ladies to enjoy this program with their families. Those who have thank-offering boxes are asked to bring them to the meeting.

The Arlington Heights Garden club will meet at the North school next Wednesday evening at 8 p. m., with another interesting speaker on the program. R. J. Mohr of the Garfield Park conservatory will talk on orchids and he will bring some varieties with him. His subject will include orchids which are grown in America, as well as tropical ones.

The meeting is scheduled for 8 p. m. in order to give both men and women an opportunity to attend this unique program. A voluntary offering will be lifted to defray expenses. The remainder will be devoted to the deaf mute institution.

Dr. Kempf's address will be illustrated by a four reel motion picture showing scenes on the daily life and activities of the pupils. Most interesting are the views of actual periods of instruction in the art of reading and conversing.

### Club Members Hear Talk On Occupational Therapy

Dr. Anderson, a member of the staff of the American Medical association and Miss Vetting, Occupational Therapist at St. Luke's hospital, presented a very interesting program at the meeting of the Woman's club Wednesday afternoon.

With the aid of slides and articles made by the patients, the speakers made the importance of this work easily discernible. Dr. Anderson pointed out that only 800 hospitals out of 6,000 use occupational therapy and that the field for occupational therapists is large, due to the inability of hospitals to pay in proportion to the extensive training which the technician must have.

Miss Vetting in telling of her work, showed a deep interest in it. Occupational therapy is used extensively in veteran hospitals, is of great value in all convalescence, in work with tubercular and mental cases. It has been found of great value in prisons. At the close of Dr. Anderson's talk, many questions were asked by the audience.

### P-T. A. To Sponsor Home Making Class

Anyone in the community who has long cherished a desire to learn how to make their own clothes, is now to have the opportunity, for the P-T.A. is sponsoring such a class, under the able direction of Mrs. B. H. Jarvis and Mrs. Guy Baxter. Anyone is welcome to join, whether they belong to the P-T.A. or not. The class will start on January 23 or 24, meeting in the morning from 9 a. m. to 11 a. m. in the domestic science room of the North school. If you are interested please call Mrs. Jarvis, 486-J or Mrs. Baxter, 677-J as soon as possible. At the next meeting of the P-T.A. on January 18, information will be given to all who register on how to choose materials and patterns to fit the individual. Help will also be given in this class on the art of making over garments.

### Dorcas Society Sponsoring Movie On Deaf-Mute Institution

The Endeavor committee of St. Peter's Dorcas Aid Society is offering a mission program to members and friends of special interest and appeal Monday at 8 p. m. A unique feature of the meeting is the address by the Rev. John Kempf, in charge of public relations of the Lutheran school for the deaf-mutes at Detroit, Michigan. The speaker will acquaint his audience with the splendid work done by this school in training handicapped boys and girls to read and converse in sign and sound language. This is the only Protestant school of its kind in the United States.

### Engagement Party

The engagement of Miss Marcia Ruth Martens, daughter of Mr. Henry Martens to John Schulenburg, son of Mrs. Helen Schulenburg, was announced Monday evening, December 26, by Mr. Martens, to a group of the young couple's friends, at a buffet supper at the Martens home. Both John and Marcia graduated from the local high school with the class of '35, and Miss Martens attended the University of Illinois for one year. Mr. Schulenburg is employed in the Kraus Market. No immediate plans have been made for the wedding.

Miss Evelyn Mohr decided to take advantage of a winter time vacation for a trip to Florida. She left on Tuesday morning on a conducted tour by bus to the sunny climes of the southland.

Mr. and Mrs. E. J. Welflin entertained a group of their relatives on New Year's eve.

About 25 members of Wheeling chapter O.E.S. braved the zero blasts and icy pavement last week to attend their regular meeting and Christmas party. Following the meeting they carried to play cards and various games, after which they enjoyed a generous lunch of sandwiches and coffee which fortified them for the homecoming trip. The usual exchange of Christmas gifts closed the program of the evening.

We are sorry to hear of the illness of Mr. Albert Glandt, who was removed from his home in Highland Park, to a hospital last week for observation. We hope the trouble may not prove serious.

The Wesolek, Durball and F. Johnson families gathered at the Fred W. Wolf home for an annual family New Year's Eve party, for which the spacious basement rooms in the Wolf home are especially inviting.

Mr. and Mrs. George Perolat were invited to the home of Mr. and Mrs. Wm. Redington at Winnetka on Monday.

Mr. and Mrs. Wm. Utpadel and son, Wilbert, Mr. and Mrs. Chas. Utpadel and daughter, Dorothy, were entertained at their mother's home for New Year's day.

Virginia and Barbara Morry, Deerfield, spent a few days visiting their aunt, on Sunday their aunt, Mrs. A. Merriv, returned the visit by spending the day with them.

The Wheeling Aces basketball team took a vacation from their regular schedule during the holiday season. Next Sunday they will play a Chicago team in the Wheeling gym to which the public is invited.

**PRESBYTERIAN CHURCH**  
Morning worship, 10:55 o'clock. Older church school classes will attend this service.

Sunday church school, 9:30. Classes for primary room only.

Young Peoples Fellowship meets at Northbrook on Sunday evening. Those who will attend meet at the church at 6:30 p. m.

Monthly meeting of the Ladies' Aid will be held next week Thursday afternoon.

**First Use of Name 'Australia'**  
The name "Australia" was first applied to a group of South sea islands.

## "I'LL GIVE YOU MY COLD"

By C. W. Lussman  
of Sieburg Pharmacy

You've heard people offer to sell, or give, you a cold many times. Meant facetiously, but serious in fact. People do spread infection when they have colds. The gift is a costly one.

Winter colds and bronchial infections are treacherous, de-vitalizing, enervating.

Avoid the society of afflicted persons, keep up your vitality, live sensibly, moderately during cold waves. Exposure is serious, but not as much as an exhausted condition of the system.

Your physician can advise you how to prevent these winter colds, how to alleviate them if they do strike at a weak moment.

His prescription should be filled by a capable druggist.

## Miss Rose Gloden, of Prairie View, Weds Son of Auctioneer

Miss Rose Gloden, daughter of Mr. and Mrs. Lawrence Gloden, of Prairie View, and Mr. Allen Wick, son of Mr. John Wick, of Wheeling, were united in holy wedlock at St. James church of Arlington Heights, last Thursday, December 29, at 9 o'clock a. m.

The young couple was attended by Miss Evelyn Meindl, maid of honor, and Mr. Peter Walter, as best man.

The bride was dressed in white chiffon with a long bridal veil crowned with orange blossoms. The maid of honor was dressed in blue.

A wedding reception was held in the evening at the Palatine Odd Fellows home by the Palatine hospital staff where the young couple are employed. The many friends and relatives assembled there, presented the newlyweds with many gifts and good wishes for the future as well as helped them celebrate the big event.

A novel feature of the evening was the auctioneering of the bride's shoes, which was done with the help of a real auctioneer, Mr. J. Wick, the father of the groom. The shoes brought \$4.50 from one of the guests of the reception.

Refreshments were served, including the delicious wedding cake baked by the groom's sister-in-law, Mrs. George Wick. The young couple will reside in the Wick home in Wheeling for the present.

## Rugen School Awarded "Superior" Classification

Rugen school at Glenview, District 33 received a "superior" rating last week, according to an announcement by John A. Wieland, superintendent of public instruction, State of Illinois. Mrs. Lillian N. Hoffman is the principal. The school has made rapid strides in the past few years, obtaining a certificate of recognition from the state last year. The present award places the school in the highest rank of elementary institutions.

## Remove Arm Of Man Employed By Druggan

The left arm of John McLaren, 27-year-old farm hand employed on the Terry Druggan farm near Prairie View, was amputated below the shoulder at St. Joseph hospital in Elgin, Monday afternoon in an effort to halt a gas-bacillus infection.

McLaren's hand was injured in a corn shredder Thursday while working on the Druggan farm. The infection developed soon afterwards and spread rapidly.

Many drivers are very careless about dimming lights. There is absolutely no reason why any driver should use bright lights while driving at night in any city or village. Dim lights are enough for town driving and their use will help not only the pedestrian, but the driver.

On the highways after dark visibility will be improved if drivers will depress their headlight beams when they meet another car. It's the courteous thing to do, and it's the safe thing to do.

## The Nobel Prizes

Alfred Nobel was a Swedish chemist who was born in 1833 and died in 1896. He invented dynamite, by combining nitroglycerine and Kieselguhr, a very fine and dry earth. From his inventions he amassed a large fortune, which he left to provide Nobel prizes. There are five awards made annually for the most outstanding work in physics, medicine, chemistry, literature, and the promotion of world peace. The prizes are usually over 8,000 pounds each. In any year, says London Answers Magazine, one or more of the awards may be withheld if there is not a sufficiently important achievement in any of the groups.

## "Grand Old Darling" Comes January 19, 20

"The Grand Old Darling" comes to the community gym Thursday and Friday evenings, Jan. 19 and 20, and you will not wish to miss seeing "her" or the rest of the cast either.

The play is a comedy in 3 acts by Nat Foster Homes, and is a delightful combination of uproarious comedy and tense scenes, presenting "Peppory Grandma," social climbing Sarah; her too much businesslike husband; adorable Susan; Jed and Shack, two old cronies whose antics on the dance floor will stop the show; Dudley, who plays to win and loses when Grandma enters the ring; Clay, who clears his reputation; Victory, a charming secretary; and Sooky, one of the cookingest cooks alive.

The cast are members of the Presbyterian Dramatic club and the proceeds of the play will benefit the improvement fund of the church. Watch for further announcement next week.

## State Auditor Reports 8 Million Dollars Returned To Depositors

Edward J. Barrett, State Auditor, this week, made public his annual report showing that approximately \$7,700,000 of frozen deposits was returned to Illinois bank depositors in 1938. Of this total \$5,875,000 went to depositors in closed banks. One hundred and ninety-five banks throughout the state made payments during the year. The larger part of these payments were made in Illinois outside Cook county, where 142 closed banks returned \$3,115,300 to depositors. In Cook county, 53 banks returned \$2,755,000.

In addition to these payments, 87 open banks made payments on waived deposits totaling \$1,854,000. In these institutions depositors had waived portions of their claims in order to aid reopening of the banks following the moratorium.

## Clyde Beatty, 63 Other Headliners Draw Crowds At The Shrine Circus

Thrills galore are greeting the public each afternoon and evening at the Shrine Winter Circus which opened last Saturday and will continue with matinee and night performances daily through January 15 in the International Amphitheater, Halsted and 42nd Streets.

Attendance likewise has soared to new heights, being double the record of a year ago. Officials attribute this to a better appreciation of the fact that the circus emotes the top talent from the nation's leading tented organizations.

## A Telephone Rang in Illinois!

A telephone rang in Illinois, and a mother talked with her son. A farmer heard the price of corn, a merchant wrote an order, cheering news from a hospital eased an anxious mind—a telephone rang . . . and touched a thousand lives.

Good telephone service is one of the essentials of modern life, and the telephone business is conducted on that understanding. The 23,000 men and women who work for the Illinois Bell Telephone Company do so with a sense of public responsibility. Their tradition is to give you service that is courteous, dependable and cheap in price . . . in fact, the best telephone service in the world, at the lowest possible cost.

## Farmers To Earn Better AAA Paym'ts

Price Adjustment Feature To Bring More Money—Gewecke

Cook county farmers have the possibility of earning increased benefit payments for cooperating in the crop-adjustment and soil-building activities of the 1939 AAA farm program, according to Henry Gewecke, a member of the Cook County Agricultural Conservation committee.

One of the big changes in the 1939 farm program over that of last year, is the addition of the price adjustment feature, he explained. Price adjustment payments will represent an increase of five to six cents a bushel on corn which when added to the nine cents a bushel conservation payment for meeting corn acreage allotments, will make a total corn payment of 14 to 15 cents to be earned next year by corn growers who cooperate in the program.

The wheat price adjustment payment of ten to twelve cents when added to the conservation payment of 17 cents makes a total of 27 to 29 cents a bushel which wheat growers have a possibility of earning by cooperating in the 1939 program.

However, farmers lose their right to receive a price adjustment payment on any crop if they exceed even slightly their acreage allotment for that crop. The same provision applies to corn and wheat loans. A slight over-planting of the corn or wheat allotment does not mean that all conservation payments are lost. As has been the case in past programs, a portion of the conservation payments may be received if the allotments are not exceeded by too great an acreage.

## Favorable Year Is Indicated For Vegetable Grower

A slight upward trend in prices of market vegetables and incomes of growers is indicated for 1939, it is pointed out by Farm Adviser, C. A. Hughes, who bases his conclusion on the 1939 Outlook publication of the College of Agriculture, University of Illinois.

Prospective improvement in purchasing power of consumers and the probably slight reduction in total United States acreage of vegetable crops planted for fresh market shipment are expected to have a favorable effect upon the vegetable market situation.

Illinois watermelon growers will be inclined to increase their acreage in 1939, following the relatively favorable season of 1938. However, with average yields and a normal season farther south, a further acreage increase in 1939, would likely result in excessive supplies and unfavorable marketing conditions.

The planting of a normal acreage of potatoes for local markets in Illinois is warranted. In view of present grain prices, farmers in 1939 are likely to give more attention to planting adequate gardens for the production of vegetables for summer use and for canning or otherwise preserving for winter, thus reducing cash outlays for food supplies. With proper planning and care and the use of labor saving methods of tillage, a large supply of vegetables can be produced at small expense.

## Wills Filed

### NILES CENTER

The will of the late Mrs. Mary Dahm, who died in Niles Center, October 17, has been admitted to probate. It disposes of an estate estimated to be worth \$18,000 including several lots with the homestead thereon. The sum of \$2,000 is left with Lawrence Dahm, son, executor, for masses. Four lots are left to be held ten years if they cannot be profitably sold before. The proceeds if sold or the lots if not sold are to be divided among her seven children, viz: Lawrence and Antin Dahm and Apollonia Schwartz, of Prairie View, Coella Boni, Wilmette; Herbert Dahm, Breville, Cal.; Barbara Duetsch and Rose Pierre, Niles Center.

It is ordered that Barbara Duetsch can have the house on the property if she moves it off inside of two years. The residue is to be divided into eight parts with one part held for the children of a deceased daughter, Anna Noesen, and the other seven parts given to the surviving children.

### ONTARIOVILLE

Probate Clerk Mitchell C. Robin reports that the estate of Ray Hensen who died intestate in Ontarioville June 22, is estimated to be worth \$10,000. The heirs are a brother, Lars Hensen, whose address is unknown, a niece, Lillian Anderson, and nephew Albert Hensen, both of Ontarioville.

### FILES SUIT FOR \$10,000 AUTO DAMAGES

Pauline Buckles and Cynthia Holt, have filed suit for \$10,000 damages each in Circuit court against May Larson, car owner, and Albert Rindeberg, lic. driver, for injuries allegedly sustained in an automobile accident December 31, 1936. They state they were passengers in a car being driven north on McCormick blvd., near Dempster st., when the Isaacson car came along at reckless speed passed another car on the right and crashed into the car they were riding in causing serious injuries to both ladies.

### PATENTS GRANTED

The following patents have just been granted:  
William R. Beckman, Barrington, internal combustion engines. He has assigned it to N. Shoen, of Chicago.

H. G. Narr, Park Ridge, and R. A. McLaughlin, Canton, O., flattening end portions of a bar.  
O. H. Goetz, Park Ridge, attachment for apertures of check controlled apparatus. He has assigned it to the Goetz Telephone Slug Service, Harold P. Mauley, Niles Center, telephone.

Jan. R. Watkins, Niles Center, improved container of wood and fibre.

### Price Cut On Legume Seeds Aids Farmers

Illinois farmers' soil building programs will cost less in 1939 than for any year since 1933, says John R. Spencer, director of soil improvement with the Illinois Agricultural Association, in a report to the Cook County Farm Bureau.

One of the major costs of maintaining a crop rotation is clover seed. A bumper crop of sweet clover in the United States is 29 million pounds more than the average annual consumption and supplies of lespedeza seed are 106 million pounds above usual requirements. Prices on November 1 for all legumes except alfalfa were below the November 1 average for five years.

Sweet clover is Illinois' best soil building crop. It has nearly twice the value of any other legume as a soil-builder. Main disadvantage of the crop is its intolerance of acid soils.

While winter liming on farms in northern Illinois is practical, lime spread on land that is to be seeded to legumes in the spring does not have time to change soil reaction enough to permit proper growth of legumes, the report said. Best results have been obtained from lime spread on fall plowed ground that will be planted to corn in the spring and followed, the next year, by a small grain nurse crop seeded with a legume.

## ONE JOYOUS WEEK OF Pleasure!

## The Wonderland of America

See conditions as they are in the richest part of the fertile delta of the Rio Grande. Twelve growing months a year—three crops on the same soil with no fertilizers. Soil as fertile as the Valley of the Nile. Valley grown grapefruit and oranges conceded to be the finest in the world. Mid-Winter vegetables bring huge profits. Cheap labor in abundance. Twenty million dollars spent for irrigation. No droughts—No coal to buy—No snow to shovel. Sun stroke or heat prostrations are unknown. Semi-Tropical climate especially beneficial to sufferers from rheumatism, asthma, sinus and bronchial troubles. United States Government statistics compiled at Fort Brown show valley healthiest spot in America. Served by two of the greatest trunk line railroads in the world with a new deep water harbor just being completed. Finest schools in the United States—Splendid churches of every denomination—Bigotry or intolerance unknown. Everything here to make life worth living—plus—health, wealth and happiness. Come now while you have the chance—A trip you will always remember. The most delightful trip ever conceived to the most marvelous spot in America at a most astounding low price. Party limited.

## Mac Says

by GERALD A. MC ELROY

A couple of years ago a movement was started to split the Northwest Conference but it gained very little headway. At the time that the idea of a split was suggested a number of changes were made in the setup of the league which aimed to keep the organization functioning. A change in basketball and football scheduling was the principal remedy for the

situation. This was more satisfactory for basketball, however, than it was for football. It was at that time that the conference tournament was abandoned and trophies and championships went into the discard as far as official awards were concerned.

### A SPLIT IS RUMORED

Within the last three weeks we heard a rumor from a rather reliable source that the question of a split in the conference is again being considered. According to our information the attitude of certain schools is being determined before anything of a definite nature is attempted. The rumor that came to our ears would have six schools break away from the Northwest conference and join with Crystal Lake and Woodstock in forming a new league. The schools would be the six largest, all of whom play football. This would still leave eight schools in the conference.

### FOOTBALL WOULD BENEFIT

To our way of thinking 14 schools are too many for any athletic conference particularly when the range in enrollment is from 80 to 550 students. However, this last objection has, to some extent, been removed by the present basketball scheduling plan. Still, if a split were to come, there is no doubt but what some of the smaller schools not now playing football would find it possible to do so. Such a split would benefit football and track by making competition more nearly on an equal plane. Size of school does not count quite as much in fine history and many of the administrators may be loath to break the ties which have held the schools together these many years. However, no one can overlook the fact that the addition of four new members in the last four years has made it an unwieldy organization and the more important fact, the number of the schools are growing away from the others in population.

### CITY CHAMP MEETS WARREN

Crane's victory over Austin in the final of the Chicago city cage tournament Monday by a score of 39-31, may not mean much to most Northwest conference fans. However, most of you did not know that Crane is scheduled to play Warren here at Gurnee February 10. Warren, according to this column, will be the 1938-39 Northwest conference champion. The champion of the public schools of Chicago, against the champ of the Northwest conference should be a real drawing card up at Gurnee. By the time the game comes off Kelton's team will have only one remaining league game and if they lead until then they will probably be as good as in.

### WARREN, WELL BALANCED FIVE

We took our Pirates up to Gurnee Monday and they tangled with the Blue Devils in a scrimmage to work out some of the holiday celebrating. Neither team played up to what it has shown previously, but we saw enough of Kelton's five to know we had not over rated them. Kelton has a mighty nice team of fast, hard driving boys who can really handle the ball. In passing and aggressiveness they have anything but what we have seen in the league. Like Palatine they lack a tall boy in their offense. Most of the teams we have seen have a boy or two who do not measure up to the standard of a champion. Warren has above average boys in every position. That, we believe, is their strongest point. They had a five point edge on the Pirates.

### WILDCATS UNDER RATED?

A Libertyville fan recently wrote to the Waukegan News-Sun pointing out that Warren and Lake Forest had better prepare for the worst when they again meet the Wildcats. Libertyville is in last place in the conference, but according to the "fan" is improving and due to upset someone after losing to Waukegan by only 34-31.

### FINALLY LOSE A GAME

After 44 consecutive victories covering parts of two seasons, the Dundee High Cardinals went down to defeat at Waukegan recently 46-44. Eichler, one of the Dundee hot shots, was lost on fouls in the first half in which the Cardinals pulled away to a 10 point lead. Pat Harmon, Champaign sports writer,

## Bensenville Alums Open Home Season

### Play Leyden Alums Sunday Afternoon In Two Games

The Bensenville high school alumni basketball quintets, lights and heaves, open their 1939 season officially Sunday afternoon on the high school floor against a strong pair of Leyden fives. The first game will start promptly at 2:30 o'clock.

Both alumni aggregations will be made up of former high school greats—the "mighty" Gutnick, good old Johnny Schoppe and "Howie" Dierking, last active players of the famous Bensenville high school team of '29, will supply the fans with plenty of thrills.

George Shaw and Glanz Dierking, now famous for his sixty-eight point scoring feat in one game last year round out the starting heavy-weight lineup.

Matusek and Long, two former stars, head the visitors.

The lightweight team, made up of the younger grads, lists Kinnison, Pilgrim, O. Baumgartner, Laing, Jennings, G. Kouzmannoff, Schriver, Davis, Leverenz and Schoo.

A spirited advance ticket sale has been going on for the last ten days. Indications point to a big crowd for Bensenville's first indoor event Sunday afternoon in basketball since the days of the Toga A. C.

Thomas Kouzmannoff of the '28 class, now an official high school referee, will officiate the two games. Tommy, besides officiating last week's Arlington high school-Alumni battle, is a regular official on the Lutheran League staff.

The admission prices are: Adults, 25c; Bensenville high school students, 15c; children, 10c.

who was up to see the game is said to have remarked that he could not remember of seeing a high school cager up to Otto Graham, the Waukegan ace who scored 20 points.

AN AMAZING RECORD

Dundee lost the opening game of the 1937-38 season to York and then won 38 in a row to complete the season by winning the state title. This year DeLacy's five, with only one man returning, had averaged 53 points in six one sided victories over York, Naperville, St. Charles, Batavia, Geneva, and Crystal Lake. The winning streak snapped by Waukegan was the longest hung up in the history of Illinois basketball. The former record was set at 38 by Thornton's state champion team of six years ago.

The Sad Iron

The word sad used in connection with iron means heavy or weighty. It is derived from the Anglo-Saxon word, meaning full or sated, and therefore implying weight.

## Arlington, Libertyville In Crucial Tilt Leading Pirates Face Bensenville Test

### Bensenville May Stage Comeback At Palatine Expense

As the Northwest conference teams resume playing after the Christmas vacation the leading game on the schedule from the standpoint of local interest will be the double bill at Palatine where the Bensenville Bisons will try to knock the Pirates out of first place. Palatine has four victories and the Bisons have won three and lost one, that being an upset by Arlington just prior to the holidays. Palatine expects Bensenville to be a lot tougher opponent as a result of that defeat. A team with but one loss still is very much in the running and Bensenville cannot afford to lose. The Bisons have a strong scoring team this year with a group of veterans consisting of Escoria, Mathews, Baumgartner, Hills and Kvevli. They are fast and good shots from any angle and distance and lead the league in points scored.

Part of the Pirate team has been playing consistently good ball, but others have played in and out. The success of the team in the January drive depends upon a few of the more erratic players settling down and playing steady ball. Palatine has played Bensenville twice in practice games back in November. The Bisons won 24-22 on their own court and lost 19-18 at Palatine. The Pirates played without Buenzow on the first occasion. Friday's game is a toss up and the decision will have quite an effect upon the conference race.

Another game of interest will be the one between Warren and Waukegan. Herrmann's team appears to be one of the few which has a chance to upset Kelton's fast stepping Blue Devils. Waukegan has one of the tall teams of the league and they may cause the league leaders plenty of anxious moments if big Dickson is hitting his pivot and rebound shots.

Arlington is beginning to play ball that was expected of them at the start of the season and is likely to upset a lot of teams who under rate them. Libertyville with no victory in three games will hardly do that, but may be one of the Cardinals' toughest opponents due to the big floor. The Wildcats are about due having lost to Waukegan by but four points in their last start. Probably Arlington is a slight favorite if their recent games are an indication.

Barrington may have their hands full with Ela in spite of the poor record of Wesner's team. Lack of suitable practice facilities has been a handicap to Ela and they may likely be the surprise team of the second half of the season. Schroeder, Knigge and Gleason are all fine players and if they once start clicking the close games are likely to go their way. Barrington's big team of Watson, Wilkins, Saul, Grabenkort, Shepard and Church is potentially a stronger outfit than their 500 percentage indicates. The Bronchos always have been a strong January team.

Antioch appears too strong for Grant though the latter showed great improvement in holding Lake Forest to a rather decent margin in recent games. Antioch lost Manning, a regular guard, who moved away during the holidays.

Another loss up at the Lake Forest at Leyden game. The small floor and Leyden's superior height should be the deciding factor and the Eagles get the edge. Niles had their Antioch game which was postponed until February and this week has an open date, so it will be a full game for the Trojans without a conference encounter.

Topnotchers, Palatine and Warren, Scrimmage But No Official Score Kept

Palatine played a couple of practice games at Warren Monday afternoon with Warren having a slight edge in the heavyweight game and the Pirates a few more points in the lightweight game. No official box scores were kept, but a shot record was maintained on the heavyweight scrimmage showing Warren with 12 baskets and 48 shots and Palatine 10 in 45. Snyder of Palatine scored eight baskets in sixteen shots for most of the Pirates scoring.

An unofficial count on the heavyweight scrimmage was 26-21 for Warren with the lightweight score 24-21 for Palatine. The games were played by alternate quarters, first a heavyweight quarter and then a lightweight quarter. Warren will play a return practice scrimmage the last Tuesday in January.

## Bowling News At Northwest Alleys

### Arlington Heights—

by HERR HAMMERS

Well, the holidays caused another postponement in the Monday night league. The match scheduled on 3 and 4 between El Rand and Blatz was postponed till next week. El Rand now has 2 series to make up.

On 1 and 2, the Arlington Elevators took two games from the Hartmann Shoes, and lost the last game by four pins. J. O. was wide open, getting 621, but the dollar went to Bud Peter, as usual. If Bud wins the dollar much oftener, he will bowl the season for nothing. Geo. Harris seems to be having difficulty in getting his ball to hook. What do you say we talk this over?

On 5 and 6 the Hammes took two games from the Cafe. Rox Bolte surprised himself with a 609 series and 239 for high game which was good for the dollar. Joe Brodnan was right behind him with 586 and Joe is starting to climb in the averages.
